ALLYSON'S STORY

Allyson Felix, the most decorated athlete in the history of track and field with 11 Olympic and 20 World Championship medals, faced a major setback when Nike offered her a 70% pay cut after she became pregnant.

Allyson, now a mother, wins gold in her fifth and final Olympics, Tokyo 2020, wearing her own shoe brand.

THE OPPORTUNITY

55%

Athletic shoes are bought by women

99%

Still designed for men's feet

MEET SAYSH

Founded in 2020, Saysh designs premium athletic footwear made for the female foot anatomy.

"The gold-medal winning, category-defining, women-specific athletic shoe company."

WE BELIEVE

WOMEN DESERVE *BETTER.*

THE PRODUCT

Designed with a narrower heel to fit a woman's body.

Wider forefoot design tailored to women's anatomy.

A foam density created for the average woman's weight.
